BACKGROUND AND LEGISLATION

BACKGROUND

Regulation 168(2) (n) of Education and Care Services National Regulations 2011 requires that Early Childhood Education and Care services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged and the payment process. All families must be informed of applicable fees at the time of enrolment.

Australian families receive help with the cost of child care through the Child Care Subsidy (CCS). The Australian Government, through the Department of Education (DE) and Services Australia, administers the Child Care Subsidy (CCS). Providers must be approved by the department to receive CCS.

DE is responsible for the legislation that underpins CCS. This legislation is called Family Assistance Law (FAL). All providers that receive CCS must follow the rules under FAL. DE monitors providers' compliance with FAL.

The Australian Government subsidises the cost of child care. State and territory governments are responsible for the health, safety, wellbeing and educational outcomes of children.

The Australian Government considers that immunisation is an important health measure for children and their families, as it is the safest and most effective way of providing protection against harmful and often deadly diseases. To meet the Child Care Subsidy immunisation requirements, children must be immunised according to the standard vaccination schedule, be on an eligible catch-up vaccination schedule or have an approved exemption from being immunised.

CCS is paid directly to approved providers and passed on to families as a fee reduction.

Additional Child Care Subsidy provides additional fee assistance to support vulnerable or disadvantaged families and children. This support recognises the preventative and protective influence of quality child care on a child's health, wellbeing and development; and the importance of continuity of care.

There are four different payments under Additional Child Care Subsidy:

- Additional Child Care Subsidy (child wellbeing)—to help children who are at risk of serious abuse or neglect.
- Additional Child Care Subsidy (grandparent)—to help grandparents on income support who are the principal caregiver of their grandchildren.
- Additional Child Care Subsidy (temporary financial hardship)—to help families experiencing financial hardship.
- Additional Child Care Subsidy (transition to work)—to help low-income families transitioning from income support to work.

The Inclusion Support Program is designed to assist early childhood education and care services to include children with additional needs by providing support, in the form of practical and tailored advice and strategies on effective inclusive practice, from contracted Inclusion Agencies as well as funding to address more challenging inclusion barriers.

The Community Child Care Fund is designed to help eligible child care providers address barriers to child care participation, particularly in disadvantaged communities, including Indigenous communities.

3. How fees are set

As part of the budget development process, Sparkways sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided
- the availability of other income sources, such as grants

- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of Child Care subsidy: www.education.gov.au

Fees are set for the beginning of each year and are reviewed in July. They may also be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

4. Free Kinder Fees

Families with children attending a three or four-year old funded kindergarten within a Sparkways Early Learning and Care Service, will have their fees reduced by the funded amount.

The fee reduction will be applied in equal amounts to each billing cycle.

Please refer to the [Free Kinder Fees](#) policy for further information.

Note: This applies where the child is not attending another sessional kinder program, or if they are, the Sparkways Early Learning & Care kindergarten program has been nominated and documented as the service for which the free kindergarten fees will apply.

4. Other charges

Other charges levied by Sparkways include:

- **Excursion/service event charge:** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional costs to families are taken into consideration before a decision is made (*refer to Excursions and Service Events Policy*).
- **Late collection fee:** Sparkways reserves the right to implement a late collection charge when parents/guardians are late in collecting a child from the service (refer point 9). Late fees are charged in 15-minute blocks, or part thereof after closure of the centre. Late fees are charged at \$20 per 15-minute block.

5. Statement of fees and charges

A statement of fees and charges will be provided to families on enrolment (*refer to Attachment 2*).

6. Payment of fees

Fee Statements will be issued to families fortnightly (generally via email) for payment.

- Payment of fees by parents is critical to the operations of the centre
- Fee statements are issued fortnightly and must be paid by the due date
- Fees are payable for ALL days booked including any absences due to illness, holidays or public holidays
- Fees for the service are set for the calendar year commencing January
- Families will be advised of the new year's charges in the November prior to the year commencing
- In the event of any exceptional circumstances the fees will be subject to review
- All services will be closed for one staff professional development / conference day each year. Families will be advised well in advance and fees are NOT payable for this closure

To acknowledge acceptance of an Early Learning & Care position, parents are required to pay the first billing period in advance.

Sparkways method of payment for Early Learning & Care fees is through PayChoice. Payments will be deducted from the families' nominated bank account or credit card (Mastercard or Visa) on the nominated day each fortnight.

- A PayChoice Calendar is available for your reference
- There is an additional PayChoice charge of 1.8% for direct debit payments from credit cards (there is not cost for payments debited from nominated bank accounts)
- If there are insufficient funds in your nominated bank account or your nominated Mastercard or Visa declines the direct debit, a 'failed direct debit' fee of \$14.90 will be debited against your nominated bank account or credit card 7 days thereafter
- Our Centre Director will contact you to rectify the failed payment to ensure the ongoing availability of your child care place

Families experiencing difficulty in paying fees are encouraged to contact the Centre Director to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

7. Overdue fees

Following up overdue or unpaid fees places a large administration burden and cost on the Centre. Paying fees on time helps maintain the ongoing viability of the centres' and reduces costs. All fees not paid by the due date may incur a weekly late payment fee of \$22.00 (inc. GST).

An account is overdue when payment hasn't been made by the due date specified on the statement.

If an account is overdue, the family will be notified and advised that:

- the account must be paid in full
- a late payment fee of \$22 (inc. GST) may be added to the account and will be added each week until the account is paid in full
- failure to pay the account in full may result in their child's place being forfeited
- if not resolved within 14 days, the service may stop their child's care. The debt including any late payment charges may be handed over to the company's debt collection agency for processing
- to please contact their Centre Director if they are experiencing any difficulties paying their fees so a payment plan can be put in place. Payment plans will cover their existing weekly childcare fees and an additional amount to pay off the incurred debt. The additional payment will be worked out in consultation with the Centre Director
- No further enrolments of children from the family will be accepted until all outstanding fees have been paid

8. Cancellation of Care & Refunds

Families are required to provide 2 weeks' notice of the cancellation of a booking. Fees will continue to apply for the 2 weeks' notice period.

Sparkways retains the right to cancel care for any child/children without notice if parents/carers fail to comply with Sparkways policies and procedures.

Parents/Carers are responsible for contacting the Centre Director to discuss withdrawal of children from the Centre. Should there be a credit balance after all fees owing are paid, and the child has ceased care; the credit will be refunded via EFT.

9. Refund Payments

An EFT reimbursement form will be issued for completion and will be submitted to Sparkways Head Office for processing. Reimbursement processing cannot take place until all Child Care Subsidy payments have been finalised and are not pending.

10. Change of Care Days

2 weeks' notice is required for any changes to your child's permanent booked days
