BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kindergarten, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kindergarten supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kindergarten supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children’s learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kindergarten subsidy guidelines and be responsive to the local community.

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the Sparkways policy catalogue.

Approved child care: Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (*refer to Definitions*) on behalf of eligible parents. Approved child care includes centre-based day care, including long day care and occasional care, family day care, outside school hours care and in-home care.

Child care subsidy (CCS): A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: www.education.gov.au/child-care-subsidy

Early Start Kindergarten: A funding program that enables three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection to attend a kindergarten program that is planned and

delivered by an early childhood teacher for up to 15 hours per week. Details are available at: www.education.vic.gov.au. Children that are eligible for Early Start Kindergarten (ESK) will continue to be enrolled, this ensure that service providers receive all funding entitlements and that these children have access to 15 funded hours of kindergarten across Victoria. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. It also allows the Department to continue to monitor efforts to engage the most vulnerable children in kindergarten across Victoria and provide additional targeted support where required through SRF or Early Childhood LOOKOUT.

Waitlist fee: A fee for when families register their child directly with a service (not part the councils central enrolment scheme). This fee will not be refunded as it is not part of the Free Kindergarten subsidy, and not related to the fee charged for delivery of the kindergarten program.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children’s program needs. Events that are planned ahead and are included as an expenditure item in the service’s budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

Fees: A charge for program hours over and above the 15 funded hours per week (600 per year) and/or wrap around care.

Free Kindergarten: A Victorian Government initiative providing free kindergarten programs for four-year-old and three-year-old children in funded services

Enrolment deposit: A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service.

Voluntary parent/guardian payment/donation: A voluntary payment/donation for items not directly related to the provision of the children’s program. Explicit and written agreement from a parent is required for any voluntary payments. Attendance at the service is not conditional on this payment.

Wrap around care: care that is provided by a kindergarten service to kindergarten children outside of the 15 hours per week program.

FREE KINDERGARTEN INFORMATION FOR FAMILIES

YEAR - 2023

1. General information

Kindergarten programs for four-year-old and eligible three-year-old children in Victorian Government funded services will be free as part of the Best Start, Best Life reform.

This investment will save families up to \$2,500 for each child enrolled in a participating funded kindergarten program.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

2. What free kindergarten means at our service

Sparkways has opted in to the Free Kindergarten initiative. Applicable parent fees are outlined below:

- Funded sessional kindergarten for 3-year-old children (up to 15 hours per week) – no parent fee
- Funded sessional kindergarten for 4-year-old children (15 hours per week) - no parent fee
- Kindergarten in Early Learning & Care for 3 and 4 -year-old children – parent fee will be reduced by the Free Kindergarten Funding

3. Other Charges

Other charges that may be levied by Sparkways are:

- **Excursion/service event charge (outside of the funded program):** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional costs to families are taken into consideration before a decision is made (*refer to Excursions and Service Events Policy*).
- **Late collection charge:** Sparkways reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. See point 4 below.

4. Additional Kindergarten Hours / Wrap Around (after kinder) care fees

Some Sparkways sessional kindergarten services may provide additional kinder hours or after kinder care outside of the 15 hours per week (600 hours per year) sessional kindergarten program. Fees are payable for the additional hours or care.

5. Late Collection of Children and Late Fees

If a parent/carer fails to pick up a child, 15 minutes after the closure of the centre, staff will attempt to contact the parents/carers. If no contact can be made, the 'Authorised Persons to Collect' as per the Enrolment Form will be contacted to collect the child.

If the child has not been collected within 60 minutes of the closure of the service, and staff are unable to contact the parents/carers or a person on the authorised to collect list, staff will contact the regional Child Protection branch from the Department of Families Fairness and Housing (DFFH) and advise them of the situation. If this occurs, the child will be collected by a DFFH representative and the parent/carer will be required to liaise with DFFH to arrange collection of their child.

The procedure for late collection of children and late fees is as follows:

1. Staff will issue the family with a first verbal notification and provide a hard copy of this late fee policy. Parents/Carers will be asked to sign the late book or a late form to acknowledge the discussion has taken place.
2. Staff will issue the family with a second verbal notification. Parents/Carers will be asked to sign the late book or a late form to acknowledge the discussion has taken place.
3. Staff will notify the family of the applicable late fee which will be charged by Sparkways. Sparkways will issue a Statement that will include the late fee, payable within 14 days. Late fees are detailed below.

Nominal late fees

Late fees are charged in 15-minute blocks, or part thereof after closure of the centre. Late fees are charged at \$20.00 per 15-minute block.

6. Fundraising and voluntary parent payment/donations

Not all service costs are covered by funded fees. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While **participation in fundraising/donation is voluntary**, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

7. Subsidies

Child Care Subsidy (CCS) – Early Learning and Care Services

Child Care Subsidy (CCS) is an Australian Government subsidy that can assist eligible families with the costs of childcare at an approved child care provider. Sparkways is an approved care provider.

Approved child care are providers that meet certain standards and requirements, and are approved by the Australian Government. Approved child care providers must:

- hold the required approvals or licences to provide child care in the state or territory that the service/s operate in
- ensure the provider and any individual who is or will be a Person with Management or Control of the Provider is fit and a proper person to administer the CCS (requirements set out in Section 194E of A New Tax System (Family Assistance) Act 1999.
- be financially viable and is likely to remain so
- ensure that required fit and proper checks are carried out for each Person with Management or Control of the Provider, Persons with Responsibility for Day-to-Day Operation of the Service and In-Home Care and Family Day Care Educators

The amount of subsidy received is determined by the circumstances of the applicant's including the family income, the hourly rate cap and the hours of activity undertaken by the parents. Further information for parents can be found here: <https://www.servicesaustralia.gov.au/child-care-subsidy>

Early Learning and Care providers that offer funded kindergarten as part of the Early Learning & Care program are required to directly offset the full payment of the Free Kindergarten initiative from parents' out of pocket fees (after CCS is applied). Fee reductions will be made proportionally across the year to families' bills, i.e. fortnightly or monthly. Only children receiving a funded kindergarten place at Sparkways, led by a qualified teacher, are eligible under this initiative.

Exclusions and exceptions: Not available for providers that primarily provide an early educational program to children in the year that is two years before grade one (preschool or kindergarten).

Please refer to the *Early Learning & Care Fees and Payments Policy*, for full information regarding Early Learning & Care Fees.

8. Payment of fees for additional kindergarten hours / wrap around (after kinder) care - only applicable to sessional services that provide the additional hours and/or care

Fees are payable for additional kinder hours and after kinder care (where applicable).

Sparkways will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Nominated Supervisor to arrange a suitable alternative payment plan. The [Privacy and Confidentiality Policy](#) of the service will be complied with at all times in relation to a family's financial/personal circumstances.

9. Overdue fees for additional kindergarten hours / wrap around (after kinder) care - only applicable to sessional services that provide the additional hours and/or care

Following up overdue or unpaid fees places a large administration burden and cost on the Centre. Paying fees on time helps maintain the ongoing viability of the centres' and reduces costs. All fees not paid by the due date may incur a weekly late payment fee of \$22.00 (inc. GST).

An account is overdue when payment hasn't been made by the due date specified on the statement.

If an account is overdue, the family will be notified and advised that:

- the account must be paid in full
- a late payment fee of \$22 (inc. GST) may be added to the account and will be added each week until the account is paid in full
- failure to pay the account in full may result in their child's after care place being forfeited
- if not resolved within 14 days, the service may stop their child's care. The debt including any late payment charges may be handed over to the company's debt collection agency for processing
- to please contact their Nominated Supervisor if they are experiencing any difficulties paying their fees so a payment plan can be put in place. Payment plans will cover their existing weekly childcare fees and an additional amount to pay off the incurred debt. The additional payment will be worked out in consultation with the Nominated Supervisor
- No further after care enrolments of children from the family will be accepted until all outstanding fees have been paid

10. Refund of fees for additional kindergarten hours / wrap around (after kinder) care - only applicable to sessional services that provide the additional hours and/or care

Additional kindergarten and wrap around hours are non-refundable (exceptional circumstances may apply – these are at the discretion of the Executive Manager). There will be no refund of these fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent, and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

11. Notification of fee changes during the year for wrap around (after kinder) care - only applicable to sessional services that provide the additional hours and/or care

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one

term in advance of any required fee increase and will be offered the option to request a payment plan.

12. Support services

Families experiencing financial hardship may require access to family support services. Sparkways can provide information to families on accessing these services, including making referrals if appropriate.
